ON THE COVER

The Revaro Group was founded in 2000 and positioned itself in the precast, wetcast and construction industries as a one-stop-shop for machinery and consumables to manufacture all concrete precast products. The group also supplies a wide range of earth moving and materials handling equipment – including aftermarket and OPM spares and parts – for all equipment mentioned. Their continued growth and expansion over the last 21 years lives up to their brand motto: "Affordable Innovation". For more info visit www.revaro.co.za or email sales@revaro.co.za.
