1.8 Ton Ride-on Road Roller

T-REX318

The Revaro T-REX318 is a robust 1.8-ton double drum roller engineered for medium-duty compaction work. With a hydrostatic drive and powerful 35.4HP Changfa diesel engine, it provides excellent traction and consistent compaction force.

Its electric start system and 40% gradeability make it a versatile and reliable choice for road maintenance, civil works, and asphalt applications.
