

Composite Brick and Block Production Pallets

PREMIUM COMPOSITE PALLET...

Revaro Composite Production Pallets are produced from a blend of proprietary high quality composite materials and fibers and are the most significant breakthrough in production pallets.

Our pallets are made to last and increase your profits through better productivity and cement saving.

- Increased Vibration
- Increase Production Time
- Increase Profit
- No De-lamination
- No Swelling
- Durable
- Waterproof
- Weatherproof
- Ideal For Steam Curing
- Minimum to no rejects
- Due to better compaction, cement saving is possible

Pallet Sizes Based on company

These are based on the sizes provided by other brick machine manufacturers
